Remembering Arthur Schneider

To the Editor:

I write this to share a memorable anecdote about a wonderful man who recently died after a long and fruitful life.

Soon after coming to Pascagoula, I attended a luncheon where I found myself seated with Dr. Emile Baumhauer. I do not remember how it came up in conversation, but Dr. Baumhauer said that for many years he had had the privilege of living next door to a saint. When I asked the name of the neighbor, he said it was Dr. Arthur Schneider, then pastor of First Presbyterian Church.

After having come to know Dr. Schneider over the last 35 years, it may be that Dr. Baumhauer's comment was an understatement. Dr. Schneider blessed the lives of all who knew him. This community will be a poorer place for his passing from us.

Melvin Mitchell
Pascagoula

must have a child enrolled here in order to attend. I guarantee the experience to be renewing. Plan to attend next year.

Passing of a gentleman

To the Editor:

A gentleman passed away last week — the most reverend Dr. Arthur Schneider.

In this world of why get involved, he did. His faith was exceptional. My husband, Dean, and I came to know him through visits to the Singing River Hospital. He gave a bit of cheer, brightness and prayer.

Dean's fight for life was terminal due to cancer. Yet Dr. Schneider's daily visits were most welcomed. He gave us strength to keep going and the spirit to keep smiling.

Dr. Schneider must surely be one of those who touched the face of God. My family was truly blessed by knowing such an individual.

SCHNEIDER

Dr. Arthur M. Schneider of Pascagoula, Miss., died Dec. 27, 2000, at The Gardens at Bay Towers Retirement Community. He was born in New Orleans, La., on Feb. 5, 1912.

A graduate of Tulane University in 1934 with a major in classical languages, Dr. Schneider received a degree from Louisville Theological Seminary in Louisville, Ken., in 1937. He was ordained to the ministry in 1937 in the Presbyterian Church in the United States and served as Pastor of the First Street and Gretna Presbyterian Churches in New Orleans from 1937-1947.

Dr. Schneider moved to Pascagoula in 1947 where he served the First Presbyterian Church for 31 years. The present building, at Ingalls Avenue and S. Pascagoula Street, was built during his ministry, and the fellowship hall addition was named Schneider Hall in his honor after his retirement. In 1960, he

received an honorary Doctor of Divinity degree from Belhaven College.

After his retirement, Dr. Schneider served as interim minister of churches in Mobile, Ala., and New Orleans and preached in several churches in Miss. and Ala. He was widely known for his ministry of visitation in homes, hospitals, and nursing homes and for comforting the bereaved.

The family expresses its gratitude to the staff at The Gardens at Bay Towers, to Dr. Richard Whitlock and Dr. Emile Baumhauer, and to countless devoted friends.

Dr. Schneider's wife of 48 years, Edith Z. Schneider, preceded him in death in 1986. He is survived by one sister, Sue Crosse, of New Orleans; three children, Sandra Krebs of Virginia Beach, Va., Pastor Michael Schneider of Freeport, Fla. and Russell Schneider, of Raymond, Miss.; five grandchildren; two great grandchildren; two nieces; and one nephew.

After a graveside service for the family, a memorial service will be held at the First Presbyterian Church in Pascagoula on Friday, Dec. 29, at 11 a.m. with visitation following in Schneider Hall.

In lieu of flowers, offerings may be sent to French Camp Academy, French Camp, Miss. 39745; Palmer Children's Home,

P.O. Box 746, Columbus, Miss. 39703-9983; or Hospice of Light, Patient Fund, 4341 Gautier-Vancleave Rd., Gautier, Miss. 39553.

Gene, (and others)

It has been a while since I sent any thing to you. I have been so busy with the pre-screening of Roots-1 that I seem to have forgotten everything else.

I am writing for several reasons. One, my mailbox of things to do has been erased without notice. Therefore, I have lost my list of people to send info to, contact etc. If I owe you anything, PLEASE let me know.

David I need your address to send the book!
Secondly, I would like to propose that someone keep up with the surnames of the Orangeburg and German Swiss immigrants researched and who is researching them. I think that this would be a big help to those new persons like Dan Kirkland. I would be willing to start this project. If you would be interested in this type of coordination, email me with the surnames, time period and actual KNOWN area (if any) and your email and snail addresses. (I am thinking that there may be several "pockets" of surnames and am interested in trying to get the geo area pinned down if we can to help others.

Lastly, I would like to list the names I have in the area. If anyone is interested in SHARING or comparing info on any of the following names, let me know. SNIDER/SNYDER, PRICE, SMART, Sanford/Samford, Lee/Seay, Folmar/Fulmar, DICKART, OSWALT, Weaver. My direct line names are CAPS, the lower case names are collateral that have married in.

Been a few days and I guess you are still looking for the above
addressees?

Highly recommend you purchase back issues of the OGS-GS Newsletters.
They

have many addressees listed with queries for various families. For
example,

in Vol. I, Joe Hughes, 3643 Corners Way, Norcross, GA 30092, wanted
info on

the Snider and Till families; same Vol., Joan Juanita Snider King,
2223

Ransom St., Commerce, CA 90040 (213) 262-5252 and her sister J.

Esther Snider

Stuewe, 4705 Highland Park Dr., Slinger, WI 53086 (414) 644-5500 were

interested in the Snider, Bull, Dantzler families.

This e-mail list only supplements the Orangeburgh Newsletter and
the

queries listed therein. The Newsletter has a much wider distribution
of

some information than this list. Any serious Orangeburgh researcher
will

want to review all the back issues of the OGS-GS Newsletters.

Jacob was born about 1760 (according to 1790-1810 census) and

Susannah

born about 1765 died after 1830 in Tuscaloosa Co., AL. Was Jacob the same as Jacob who patented for land (born 1742) or was he the son of said Hans Jacob (bn 1742)

Jacob's grandson wrote a family history in 1895. I have a transcript of that history. It lists many family members of the Snyder,

Price, etc families as well as a brief glimpse into the lives of the Dutch Fork area 1790-1810.

Jacob appears to have died before 1817, and his children relocated in Alabama--Tuscaloosa, Monroe and Pike Counties. Jacob fought in Rev. War under Gen. Putnam and son Matthias fought in 1812 at

Fort Moultrie. (This info from Josiah's history and hasn't been verified)

Colateral lines for this family include: SANFORD, SAMFORD, SEAY, SEA, KYZER, PRICE, WEAVER, SCALES, etc.

Your Snider genealogy written in 1895 would be interesting. You are correct in that these Sniders removed from South Carolina. A later Schneider/Snider came to Lexington District, unrelated to your family, and

any Sniders there now are not related to you. By the way, the Schneider

who came later was a nephew of Yost Meetze, the Lutheran minister.

If it

is not too long, I would really like to have a copy of your Snider (1895)

Hello everyone. I hope I am not repeating myself in sending this info. I don't remember if I sent any family information or not. Here goes:

I am doing research on the family of William SNIDER of Orangeburg, South Carolina. He was originally from Germany and his name was spelled Wilhelm Schneider. He was born August 1770 in Germany and died on April 29, 1833 in Orangeburg. He was married to Elizabeth E. They are both buried on old Snider property near Elloree, South Carolina. Their children are:

They were probably born in Haughton LA or somewhere in North Louisiana.

I am interested in any information regarding:

1. Naturalization records for Wilhelm Schneider in SC (Orangeburg, Elloree, or Charleston)
2. Death records for those in SC, AR, LA, and maybe TN.
3. Marriage records for those in SC, AR, LA and TN.
4. Birth records for those in SC, AR, LA, and TN.

Any suggestions or information is greatly appreciated. If I can share any info with anyone else I will be happy to do so. I began all this work after finding courtship letters between John Summers Williams and Martha Vilona Berry from 1878. I have transcribed them to computer and am having them copied and bound for the many branches of the family I know about. I would like to update my records and send out new trees with the letters. It's been a great history lesson.

of Orangeburg and Elloree. He was originally from Germany. I have alot of

names and dates but no other history. I know that his grandson William Judson

Snider founded Elloree. His brother, Lehre Snider, is my gggreatgrandfather.

My third cousin Haskell Snider has done alot of research but concentrated on

his direct line and he did most of his work in the late 1960's and early 1970's.

I appreciate you allowing me to join and let me thank you in advance for sharing this information.

Sylvia,

Great to have another user interested in Orangeburg families. Tell us (The List) a little about yourself. Also, what you know on the first

second generation of Wilhelm Schneider, origin, dates, spouse, children,

etc. Maybe we can help with some of the allied lines.

I have no known Williams connection in TN. The clearinghouses may help if

they are free. Would not pay for any research or buy any generatic family

book at your stage of research. Check your local assets first, libraries,

LDS Church, etc.

Post one or two of the more interesting ones on The List. We may learn more

about the social habits of that time frame.
